

# Clan MacRae Remembers

## 2015

On May 3, 2015, Clan MacRae will meet on the lawn of the House of Commons, Ottawa, to hear the *Meditation* based on *In Flanders Fields*. Our Clan has commissioned the music to be played for the first time on the Peace Tower Carrillon of the Parliament Buildings. It will be a special moment in the history of Clan MacRae of Canada.

In addition, we will publish a special issue of *Kintail* focussed on Lt. Col John McCrae. In it will be all names of those remembered – any who served in the military, volunteers, support staff, victory bond holders, in a word, those who were part of any “war effort” of the 20th and 21st centuries.

We are beginning to prepare the list of names to be remembered and you are invited to list someone to be remembered on that day. Please complete the bottom of this form and send it with your cheque to cover the name(s) to be remembered. All donations received will help to cover the cost of our music commission, the special issue of *Kintail* and the printed program for the day.

To register a name(s) in the *Clan MacRae Remembers* program, please complete the form below. For a military person, include rank and Service.
